

I stridently believe that rules and restrictions must be in place that serve the public, rather than private, interest in media. I oppose taking a vote that leads to more media consolidation. On June 2nd, I strongly urge you to retain the current ownership rules. Free speech and freedom of the American press, two of our most precious political and cultural features, are at stake and in your hands. Millions of American citizens believe in and support this need. Please do not foster the silence of the diversity of this nation.
